Turn left out of the station and cross the road at the pedestrian lights. Go straight down Station Passage and turn left. Proceed alongside The Greens and you'll see the pub "The Prince's Head" at the end of Richmond Green; the pub is called 'The Crown and Anchor' in the television series. Note the benches and telephone box used in the series.

Go down Paved Court beside the pub and you'll see the 'street' on which Ted has his house at No 15. A shop selling memorabilia is on the left.

At the end of Paved Court either turn left and go to the end of King Street to George Street, turn left and return to the station

OR

turn right at the end of King Street and head up to the Richmond Bridge. Cross the bridge on the left side and at the end go down to the riverside path. Turn right (as you face the river) to Twickenham (about half an hour). As you approach the Town Centre, walk up Bell Lane or Water Lane to Church Street, another Ted Lasso location. The riverside also provides the view of Eel Pie Island as seen in Series 2.
